MISSION AND VISION

Behind the Chutes is a 501(c)(3) nonprofit organization founded by rodeo and western lifestyle enthusiasts from the Lubbock community. Our mission is to support and advance rodeo and western culture through community outreach and enrichment. We will enhance the local community experience and promote the rodeo, agriculture, and western lifestyle in our South Plains area. Our efforts and proceeds will be dedicated to our youth in agriculture and rodeo. As with other philanthropic organizations, all contributions to Behind the Chutes are tax-deductible and contribute to our overarching goals. In essence, your support helps us improve our youth!

ABOUT

We are excited to offer unique advertising and sponsorship opportunities for our highly anticipated 2026 events at Cooks Garage, which feature a thrilling lineup of rodeo competitions and entertainment. Our events include the 2nd Annual Steer Classic, 3rd Annual Ranch Rodeo, 5th Annual Junior Rodeo, 6th Annual Cooks Rodeo Days Pro Rodeo. Our Calf Fry, featuring live music, silent and live auctions, food, and drinks, provides an excellent opportunity to raise funds for youth in agriculture through auction items and scholarships. In 2026, we are excited to partner with the Cowboy Channel for national broadcast coverage of the Pro Rodeo and Ranch Rodeo. These broadcasts will be replayed frequently, ensuring your brand receives extended national exposure to a wide audience. All of these events are designed to raise funds to support youth in agriculture in the South Plains area, making your sponsorship a contribution to a great cause while promoting your brand to a dedicated audience.

PAYOUTS

Thanks to the incredible support of our sponsors, 2025 was a record-setting year. We proudly awarded over \$150,000 in direct payouts to junior contestants, along with more than \$50,000 in scholarships to youth in agriculture, as well as other hardware, and prizes. Beyond the awards, we invested over \$300,000 into producing premier events—delivering an unmatched experience and setting the standard for junior competitions across Texas. Looking ahead to 2026, our goal is bigger than ever. With continued and new sponsor support, we aim to triple our direct payouts and scholarship awards, creating even more opportunities for junior competitors. By reinvesting at an unprecedented level, we're committed to elevating our events and continuing to set the gold standard for junior competitions in Texas.
